

Gergő Boldogh

Full Stack web developer

Address: 9025 Győr, Kemény Ferenc sétány 2.A 4./48.

Phone: +36-30/709-5330

E-mail: boldogh.gergo@gmail.com

Nationality: MAGYAR

Birthdate and place: Gyula, 19. September 1987.

I've 13 years of professional experience, I am reliable, deadline-oriented and hard-working and I consider myself a developer who tries to do my best in every situation. I am loyal to my clients and always humane and helpful to my colleagues. Under these years, I have been successfully involved in the development of more than one hundred of projects, most of which I have done on my own or in a small (2-3 persons) team.

...and many, many more...

◆ Personal competencies

- ◆ Language Hungarian
- ◆ Other Languages English | "C" type, advanced language exam
German | basic knowledge without exam
- ◆ Other B Category driving license

◆ My goal / motivation

I would like to use the knowledge I've gained so far in a larger, even globally recognised project(s), as part of a team, where I can help the beginners but also learn a lot from the "greats". I feel that the more years I spend in the profession, the less I know, so improving my knowledge and professional competences is my main goal.
